**Sub:** Webinar on 'Implementation of Flood Inundation Mapping and Integrated Reservoir Operation' during 7-8 July 2025 - Request for Nominations – Reg

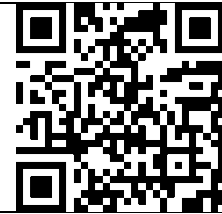

महोदय/महोदया,

National Water Academy, Central Water Commission, Pune is organizing a webinar on '**Implementation of Flood Inundation Mapping and Integrated Reservoir Operation**' on **7-8, July 2025**. Information brochure of the webinar is enclosed for ready reference.

The objective of conducting this 2-day webinar is to disseminate and sensitize various stakeholders about the rollout of flood inundation forecasting systems, developed in association with the National Remote Sensing Centre (NRSC) for Godavari and Tapi basins, and with the Centre for Development of Advanced Computing (C-DAC) for the Mahanadi basin, starting this monsoon season. Additionally, the CWC is implementing an Integrated Reservoir Operation (IRO) system for the Ganga basin, covering 13 major reservoirs during the current monsoon.

Stakeholders from the Godavari, Tapi, Mahanadi and Ganga basin states, and the State of Assam including officers from concerned Centre/State Government Departments, Dam Authorities, District Authorities, State Disaster Management Authorities, and others may be nominated/encouraged to participate by registering in the Google Form link given below.

<https://forms.gle/3ixNSVWEYpRW1KRV9>

Registered participants can join the webinar sessions on both days using the following link:
